RECOMMENDATION LETTER FOR CLINTON NYAMORA
JUMA

This is to confirm that the above named student has been with the University of Nairobi on Industrial Attachment for the period between 24th July and 27th October 2023. He was attached in the ICT Office, Faculty of the Built Environment and Design

During the attachment, he was exposed and gained valuable experience in the following areas:

- ✓ Network diagnostics and repairs
- ✓ Computer Hardware and software diagnostics, maintenance and repairs
- ✓ Configuration of Wireless Access routers
- ✓ Computer Software Security

The student showed interest in learning and a high level of cooperation with his supervisor and other staff. He is dedicated, respectful and hardworking. He is also very passionate and disciplined.

Through this learning he is now able to:

- ✓ Identify and assemble all computer parts
- ✓ Format a computer and install an operating system and its applications
- ✓ Install and patch an antivirus
- ✓ Create, test and repair a network cable
- ✓ Connect and Install a printer and other peripherals
- ✓ Identify and configure a Wireless Access Router

We wish him success in his prospective career endeavors.

Yours faithfully

ISAAC WASONGA
